THE BEST SINGLE SOURCE FINANCE SOLUTION

SUCCESSFUL REAL ESTATE PROJECTS
WITH MARSH AND COMPEON

Insurance and real estate financing from a single source

With Marsh and the finance portal COMPEON

01

You discuss your real estate project with your Marsh advisor.

02

Your marsh advisor will forward the project information to COMPEON.

03

The COMPEON real estate expert takes over, develops a financing plan, and obtains offers for all financing modules from banks and specialist financiers.

04

You select the best fitting model and offer for your project. Benefit from the time-saving service and the transparent comparison of offers.

Your benefits in short

FASTER TO FINANCING

Thanks to digital processes, you will receive a commitment for all financing components of your project more quickly.

ALL FROM A SINGLE SOURCE

The COMPEON expert takes over the acquisition of the financiers and the negotiations for you - for external and mezzanine capital.

SAVE YOUR TIME

COMPEON coordinates every banking appointment to avoid unsuccessful project presentations.

USE THE LARGEST NETWORK

With just one request, you get access to around 300 finance providers who can apply to finance your project.

YOU GAIN INDEPENDENCE

With COMPEON you can reach new financiers and expand your personal network.

BEST CONDITIONS

By using the large network, you not only receive secure offers, but also save costs by comparing offers.

Full service for your real estate project

Your construction and real estate projects are changing cities and landscapes. Design, layout, and equipment are always up to date - whether residential or commercial. But why is your

funding not as innovative as your projects? Get your financing and insurance from a single source, we give you time to focus on your actual project.
